2 The question taken up in the file relates to the utilisation of the further donation of - - Rs. 50,000 offered by Mr. Chendre Cowda in the -- name of his mother for the amelioration of the -- lot of women in the manner to be settled by the Dewan Sahib in consultation with the donor. In his note dated the 23rd April 1927, the Assistant Secretary mentions that proposals from the Senior Surgeon and other officers have been called for - for the utilization of this amount (flag J) and -- that the Deputy Commissioner has been requested t obtain and send the promised amount. It is seen from para 4 of the Government Order (flag T) that the Deputy Commissioner has been asked to -- submit proposals in consultation with the donor - and no other officers have been addressed in this behalf and except the present letter no scheme ha so far been submitted by the Deputy Commissioner.

The present letter of the Deputy Commissione which encloses that of Mr. Chandre Gowda is a re- ply to this office letter No. G.11362/Med.170-26- dated the 25th April 1927 and the reply of the -- donor deals with both the donations regarding Hos- pital and the present one. The question regard- ing the Hospital has been worked separately and -- submitted.

It is seen from the records available that -- the donation was for the amelioration of the lot -

of women in the manner to be settled by the Dewan in consultation with the Donor and no definite scheme had been suggested. In his present letter Mr. Chendre Gowda mentions a Maternity -- School. What exactly it means and to what - - scheme it refers to, is not known. Apparently - it has to be regarded as a suggestion from the - donor for consideration of the Dewan and if a better scheme were to be suggested to him, the donor ma perhaps readily accept the same.

He also mentions in the last para of his -- letter that the Government should make a similar grant of Rs. 50,000, towards a Maternity School. It is seen from the letter of Mr. Heblikar dated the 25th March 1927 that this was a free and spon taneous gift and the donor never mentioned any -- implied or express promise by the Government. It is also informally learnt from the Dewan's Office that there is no reference to any such promise on the part of the Dewan. Hence this statement of the donor does not refer to any commitment on the part of the Dewan but has to be treated as a - - prayer in that behalf and in view of the munificience of the donation, it is entitled to very - sympathetic consideration at the hands of Govern- ment.

The points for orders are now the following:

(1) Is a scheme of Maternity School to be --

formulated and started with the donation of - - Mr. Chendre Gowda and an equal sum by the Government in the name of the mother of Mr. Chandre - - Gowda or will the Government suggest other alternative schemes for consideration of the donor?

(2) Is the Government prepared to make a -- grant of Rs. 50,000 for an Institution of the kind to be opened?

(3) As the donation was specified to be in the name of the mother of the donor when passing orders, formal sanction to name the Institution - after his mother may perhaps be passed.

Another point for consideration will be whether the donation and the gift is to be spent in putting up a building for housing a scheme to be sanctioned or should the money be invested and a Trust Fund created in the name of the mother of the donor and got administered by a strong representative committee to be appointed by Government. In forming the committee the wishes of the donor - may be consulted.

In view of the fact that there is going to be established an up-to-date Women's and Children's - Hospital from the donation of Mr. M. L. Nagappa -- Setty and the present Munsiff's court building is to be utilised for a Maternity Ward any diversion of funds in this direction may not be quite welcome

to the donor, who would like to have an independent scheme. Arrangements for training women in Midwifery exist in all important Hospitals in the State and such may easily be available even in -- the Women's Hospital to be opened there. The -- views of the Senior Surgeon about opening a course of Maternity training in ~~Shimoga~~ connection with W.&C.B. Rama Rao's scheme are not very encouraging. In view of the arrangements and facilities that exist all over the State in this direction, opening of a Maternity School may not be the best way of utilizing the donation. Similarly locking up of -- funds in buildings only, when they can be more usefully spent otherwise may not be the most desirable course. It may therefore be suggested, that probably it is better to invest the amount and -- create a Trust Fund in the name of the donor's mother and put in to operation a scheme of either -- socio-economic amelioration of the lot of women in the District, or it may be diverted towards the -- Maternity and Child Welfare Scheme to be formulated in consultation with the donor. The funds may be administered by a committee like the following

Med. 146926 Serial 9.

If the Trust Fund is created, it may be - - easy to sanction an annual grant equivalent to - the interest earned by the amount, from the Malnad Improvement Grants and hence the donor's - - wishes will also be complied with, without the - Government having had to incur a lumpsum expenditure, at a period of financial stringency.

Any of the following schemes may perhaps be suggested to the donor if approved by the Dewan - and after ascertaining his views, the details may be formulated by an expert committee to be ap- -- pointed in that behalf.:-

A. Socio-economic Welfare Scheme.

1. Establishment of a Women's Home on the lines of the one in Mysore, with provision for the teaching of arts and handicrafts and cottage industries.

2. A scheme of popularising and extension of domestic arts & handicrafts in rural areas. Subsidiary domestic industries are entirely absent in Malnad areas though there is great scope for the same in view of the proximity of forests. Seasonal conditions confine people inside home for a considerable period and if this time can be spent in some useful and paying work, and cottage in- -

dustries are popularised, it will solve the problem of the Socio-economic welfare of the people of Malnad.

B. Medical and Sanitary Scheme.

1. Side by side with the scheme of extending medical facilities to rural area (vide G.O. No.G. 11573-7/Med.49-25-86, dated the 2nd May 1927, re. giving facilities to Medical Practitioners to - - settle down in rural areas) small Maternity Wards with two beds in charge of a trained nurse em- -- ployed by the Trust, and with necessary apparatus may be opened under the supervision of the local - Sub Assistant Surgeon. These nurses may be encouraged to train any local ladies that may come forward in Maternity and Nursing work. Village Panchayets may offer small stipends to such ladies and the Trust may supply ~~a delivery apparatus~~ antiseptics required by a nurse free to a lady who learns the -- work as an encouragement to popularise knowledge - of Maternity Science.

2. Maternity and Child Welfare work may be -- organised in Chikmaglur Town on the lines of the - Gunamba Charities in Mysore City, and a Lady - - Health Visitor may be appointed with a view to -- secure systematic inspection of all pregnant women in the town and of infants within a specified age. She may instruct the mothers about the care of -- children and good milk may be made available at --

concession rates or even free in extremely hard - cases, where such appears to be necessary.

3. The Scheme suggested by Dr. C. B. Rama Rao in connection with the proposal to train - - middle class women in Midwifery and Sick Nursing - may be considered and suitably revised with re- -- ference to local conditions if the idea of the - - donor is to confine himself to supply a course in Maternity alone. The Senior Surgeon however, has not endorsed his approval to this scheme.

4. As the amount will be earning an interest of Rs. 3,000 per annum at 6 per cent and a similar grant from the Malnad Improvement Funds will perhaps be made available, a decent scheme can be -- financed and perhaps the District Board and the - Municipal Council may also see their way to make a grant.

If ordered an interim reply may go to the Deputy Commissioner to inform the donor that Government have not committed themselves to make a grant of Rs. 50,000, for this, but that his request will be sympathetically considered and a suitable grant made and also asking him whether he would like to examine any other scheme of amelioration of the lo of women in the District and submit his views to - the Dewan and what exactly are his ideas about th utilisation of the donation.

We are concerned now only with the second offer of Mr. Chandrasekara of a sum of Rs. 50,000. The utilisation of this amount was, according to Mr. Gowda's original idea, to be decided by the Dewan. Now he suggests that the amount may be utilised on a Maternity School. The Asst Secy has made certain suggestions but I do not think the matter is ripe for definite action of any kind.

61 Decision arrived at at the meeting of the Dewan, First Member of Council, and - Senior Surgeon, held on the 29th August 1927 held in the Dewan's Chambers, Public Offices, Bangalore.

Mr. Chandre Gowda's Donation.

His request regarding the location of the hospital may be considered favourably. This may mean the acquisition of the Mysore Bank Building in addition to Mr. Vas's House and out-agency. The point is to be separately examined and orders communicated to the Deputy Commissioner early.

Mr. Nagappa Setty's Donation.

The question of naming the institution after Mr. Nagappa Setty's wife cannot be just now taken up for consideration. There is no objection to granting him the D.P.W. Office building also. Action should be taken at once to acquire the whole of Seganipura Street.

Mr. Krishnaiya Chetty's Donation.

The donation of Rs. 20,000 offered by him for the Opthalmic Hospital is accepted by Govt. ~~As regards Rs. 5,000 required the Visva Vidyalaya~~ The question of granting some help to the National* School at Chikmagalur should be considered and the donation of Mr. Krishnaiya Chetty to the institution may also be accepted.

Our total receipts are :—

Rs 110,000 from M/ Chandrasekhara
40,000 M/ Nagappa Setti
20,000 M/ Krishnia Setti

Total Rs. 170,000.

As against this, the expenditure to incurred is :—

Total 229000 or Say Rs. 230,000.

This means therefore that Govt have to find the balance of Rs. 60,000. Towards this Govt get a sum of Rs. 40,000 approximately as Compensation Amount shown in the margin. The balance of Rs. 20,000 has to be found by Govt.

In addn. to the sum of Rs 20,000 referred to above, Govt have sooner or later to provide funds for the following:—

(1) Munsiff's Court -
(2) D.P.W. office -
(3) A.V. school -
(4) Trust Officials Quarters -

In another file, the Ch. Engr has sent plans ~~for~~ for extending the Dt. Office at an estimated cost of Rs. 25000. This extension provides for the Munsiff's Court Hall enough space for locating the Sp. magistrate's court which is now located in another Govt building. If this

is done, the building used for the Sub-Magistrate's office will be available for alternative use as Assistant Surgeon's quarters. It is perfectly good for use as Dt. Forest Officer's Quarters. An expenditure of Rs. 2500 will therefore give us the Munsiffs' Court (item no 1 in the list above) + Forest Officer's Quarters (item no 4).

As regards the Dt. Hospital Office (item 2 in the list), it is proposed to locate it in the present Dt. Hospital building which is suitable for the purpose. This involves no expenditure.

A separate building will have to be built for the A.V. school which may cost Rs. 25000.

The final commitments of Govt will therefore be

Rs. 20000 being the balance of amount required in connection with the diversion works,
25000 for extending Dt. Office &
25000 for A.V. school.

This amount will not be required all at once but may have to be provided in three annual instalments.

FROM

S. SHAMANNA, ESQ., B.A.,
Comptroller to the Government of
His Highness the Maharaja of Mysore,
BANGALORE.

To

R. Ranga Rao, Eq., B.A.,B.L.,
General Secretary to Government of Mysore,
B a n g a l o r e.

SIR,

With reference to Government Order No.G.11357-61/Med.170-26 dated 25-4-1927 forwarding a cheque for Rs.25,000/- received from Mr.Chandre Gowda of Aralaguppa, Kadur District towards Endowment Fund and requesting that the amount of the cheque may be deposited in the Mysore Bank, I have the honour to state that the Bank of Mys was requested to place the amount in Fixed Deposit for a period of six months at the most favourable rate and it has forwarded a Fixed Deposit Receipt for six months from 28-4-1927, allowing interest at 4% per annum. It will be kept in safe custody at this office pending further instructions.

I have the honour to be
S i r,
Your most obedient servant,
S. Shamanna.
Comptroller.

Letter No.A.1-3939-26 dated 3rd May 1927 from the Deputy Commissioner, Kadur District, to the Secretary to the Government of Mysore, General Department, Bangalore.

With reference to your letter No.G.11362/Med.170-26-3 dated 25th April 1927, I beg to submit herewith for favour of perusal a copy of letter dated 3rd May 1927 received from Mr.Chendregowda of Aralaguppe, Coffee Planter, in the matter of early construction of the General Hospital and the opening of a Maternity School at Chikmagalur.

" C o p y "

Letter dated the 3rd May 1927 from Mr.Aralaguppe Chendragowda, Coffee Planter, Chikmagalur, to the Deputy Commissioner, Kadur District.

I beg to acknowledge your letter dated the 1st May 1927.

In reply thereto, I beg to state that I have already paid Rs.25,000/- towards the construction of an hospital after the name of my father in Chikmagalur. The Dewan Saheb was pleased to sanction the opening of the aforesaid hospital with a donation of Rs.50,000/- by me and a similar grant by the Government. Towards this sum I have already paid Rs.25,000/- and promise to pay the balance of Rs.25,000/- by March 1928. I request you will be good enough to start the work immediately. Should the sum of Rs.50,000/- made up of Rs.25,000/- already paid by me and Rs.25,000/- to be granted by Government be worked out before March 1928, I shall be too glad to pay my balance of Rs.25,000/- at any time you may call on me.

Adverting to my promise to contribute Rs.50,000/- towards the opening of a Maternity school at Chikmagalur after the name of my mother, I request you will be good enough to have the scheme sanctioned as early as possible. I will authorise the Bank of Mysore, as I have already promised the Dewan Saheb to pay Rs.25,000/- as soon as the work is started and the balance of Rs.25,000/- will be paid by me by Mrach 1928.

I request you will kindly see that the entire sum of Rs.1,00,000/-to be contributed by me and also the Government grant of Rs.1,00,000/- will be fully appropriated for the above institutions.

" C o p y "

Copy of letter No.S.3257-26/Enc. one cheque dated Chikmagalur, 25th March 1927 from the Deputy Commissioner, Chikmagalur District to the Private Secretary to the Dewan.

"I enclose herewith a cheque No. B. 661431 on the Bank of Mysore, for Rs.25,000/- given by Mr.Chandregowda towards part payment of his donation of Rs.50,000/-. He has asked me to reaffirm to the Dewan Saheb that in addition to this donation, he will give another donation of Rs.50,000/- in the name of his mother for the amelioration of the lot of women of this district and that the way in which the second donation is to be utilised may be settled by the Dewan Saheb later on in consultation with him.

2. Mr.Chandregowda has asked me to move the Government to kindly accept his offer and to direct immediately that the hospital (to be named after his father Mr.Mallegowda) be located on the site already selected by the Dewan Saheb, viz., the Forest Lodge premises. (He is very particular that the Hospital should be located on this spot).

3. If his wishes are to be respected, steps will have to be taken for the acquisition of the two adjoining houses viz., one belonging to Mr.Channabasappa Setty and another to Mr. L. M. G. Vas.

4. I therefore request you to place this matter before the Dewan Saheb and obtain his orders early.

1. Letter dated the 4th March 1927 from the Coffee Planter Mr. Chendre Gowda of Araluguppe, Kadur District, offering to contribute, in two instalments, a sum of - - Rs. 40,000 for the construction of a well equipped hospital at Chikmagalur, and to construct a separate ward for the convenience of patients of the Veerasaiva community at a cost of Rs. 10,000, on condition that the new institution is named after his deceased father Mr. Araluguppe Malle Gowda.

2. Letter No. S.3257-26, dated the 25th March 1927 from the Deputy Commissioner, Kadur District, reporting - that Mr. Chendre Gowda has issued a cheque on the Bank of Mysore for Rs. 25,000 in favour of the Dewan of Mysore as the first instalment of the donation promised by him and had authorised him to reaffirm, that in addition to the - above donation he would give another donation of Rs.50,000 in the name of his mother for the amelioration of the condition of the women of the District in such manner as may be decided after due consideration.

Order No. G.11357-61/Med.170-26-1, Bangalore, 25th April 27.

Government are pleased to accept the very generous - offer of Mr. Chendre Gowda. They appreciate the donor's -- public spirit and direct that their thanks be conveyed to - Mr. C. Chandre Gowda.

2. The Senior Surgeon in Mysore is requested to submit proposals in consultation with the donor and the Chief Engineer in Mysore for the utilization of the donation of Rs. 50,000 offered to the Medical Department, at a very -- early date.

ENDOWMENT OF ONE LAKH OF RUPEES BY MR. CHANDRE GOWD OF ARALAGUPPE FOR A NEW DISTRICT HOSPITAL BUILDING AT CHICKMAGALUR AND FOR IMPROVING THE CONDITION OF WOMEN AT THE PLACE.

On the occasion of the Dewan's visit to the Kadur District on tour Mr. Chandre Gowda, Coffee - Planter, Chickmagalur, offered the sum of Rs. 50,00 for the construction of a new building for the Dist rict Hospital at the place and for a Ward for the - Lingayet Community in connection with the institution. Later on, Mr. Chandre Gowda approached the Deputy Commissioner of the District with a further donation of Rs. 50,000 for ameliorating the condition of the women of the locality. He forwarded - through the Deputy Commissioner, Kadur District, a cheque on the Bank of Mysore for the sum of Rs.2500 as part payment of his endowment of Rs. 50,000 to - the Medical Department. The gift of Mr. Chandre - Gowda has been brought to the notice of His Highnes the Maharaja and the draft of a Government Order - accepting the offer and conveying the thanks of Gov ernment to Mr. Chandre Gowda is under issue. Proposals have been called for from the Senior Surgeon and other officers for the utilisation of the endowment. The Comptroller to Government is being requested to cash the cheque and deposit the - amount in the Mysore Bank as a fixed deposit pending further instructions regarding its disposal. The Deputy Commissioner, Kadur District, is requested to ~~obtain~~ secure the second Rs. 50,000 promised by Mr. Chandre Gowda and obtain his views regarding its disposal. The file in this connection is now before the First Member of Council for perusal of Dewan's orders.

Dear Mr Ramaswami,

G/2147 dt 18.5.27

I am directed to write this letter to you with ref^e to the offer made by Mr. Chanre Gowda of a sum of Rs 50,000 for the construction of an Hospital at Chickmagalur and of a further sum of Rs. 50,000 for the amelioration of the Condition of Women in the Kadur District. These offers have, as you know, been accepted by Govt in their own no. G. 11359-61/Med 170-26-1 dated 25.4.27.

From certain Correspondence which you have laid before Govt, it is observed that Mr C. Gowda seems to be under the

impression that Govt are going to contribute a sum equal to his own endowment. I am to ask you to point out to Mr C. Gooda that the impression is altogether erroneous. Govt gave no such undertaking and have no such intention. Of course this does not ~~[illegible]~~ prevent Govt, after the debts are settled, from making such contribution as they may deem fit.

Govt understand that the manner in which the second donation of Rs. 50,000 of Mr C. Gooda was to be spent was to be decided by them in consultation with the donor. From Mr C. Gooda's letter of 3.5.27 which you have forwarded herewith your letter No A 07 3.5.27

It would appear that Mr. Clowes is in favour of a Maternity School at Chickmaglur. I am to ask you to ascertain from Mr Gauntlett whether this is in the nature of a definite indication of the object on which the money is to be spent. After hearing from you, the matter will be further considered.

Or whether he has any other objects to suggest.

Dear Mr. Ranga Rao,

I saw Mr. Chandregowda yesterday and explained to him that Government had not bound themselves to contribute any amount to supplement his own donation, and that the amount of the grant, if any, to be made by Government towards the purpose should be left entirely to them. He stated that he had made his donation and indicated his purpose and was content to leave the rest entirely in the hands of Government.

As regards Para 2 of your letter, (dated 18-5-1927) Mr. Chandre Gowda says he has definitely decided in favour of a maternity School at Chickmagalur and that he has no other object to suggest.

I am, yours Sincerely,

Re 1092638

Dear Mr. Ranga Rao,

You are aware that I have to send up proposals for the acquisition of the properties required for the construction of a building for General Hospital here, out of the Endowment made by Mr. A. Chandre Gowda, Coffee Planter. I have received a plan of the properties to be acquired, from Mr. Krumbiegel; but feel doubtful as to whether the building where the local Branch of the Mysore Bank is now located is to be included in the acquisition proceedings, or not. Mr. Krumbiegel has the same doubt. (Vide copy of his letter enclosed.)
I request you therefore to kindly obtain instructions for me in the matter.

Yours Sincerely,

H. V. Ramaswamy.

D.O. Letter No. 323 dated 28th May 1927 from Mr. Krumbiegel, Consulting Architect to the Government of Mysore to the Deputy Commissioner, Kadur District.

==========

I have your letter of the 11th instant and as already stated in my letter of the 23rd April last, I have not yet got the actual plan of the proposed hospital building. I am also awaiting for the p[lan] of the present Public Works Offices and the modified plan of the pro[p]osed Out-Patient Dispensary in the Maternity Hospital. However, far as the acquisition of the land is concerned, I am now sending you the ground plan. I have shown in red the area which is to form --- Maternity Hospital (Women's Hospital). So far as it was decided to acquire the building at the back of the Munsiff's Court, they are included in the red area. But the reamining private dwelling houses which are cut off in blue, one not originally included so far as I can gather from the discussions when the Dewan was at Chikmaga[lur]. Still it would be well to estimate for their acquisition too so that the whole hospital area might be properly defined and kept in a --- sanitary condition. It is also quite likely that the area will be required for extensions or other necessary buildings connected with the Women's Hospital.

With reference to the General Hospital, I have also shown the total area in red and have indicated roughly the size of the General Hospital and the General Dispensary. Again in this plot the building occupied by the Mysore Bank has been cut out in blue lines as I am doubtful whether it was decided to include this building or not. The estimate may however, be framed and the decision left to Government.

To:
THE GENERAL SECRETARY,
to the Government of Mysore,
BANGALORE.

Sir,

I beg to state that I have perused Government Order No.C.67-72/Med.170-26 dated 23rd June 1927, a copy of which has been sent to me for my information. I beg to bring to the notice of Government certain points in connection with this order which justify my urging upon Government respectfully for reconsideration of the said order. I need not recapitulate in detail the circumstances under which I offered originally a contribution of Rs.40,000 subsequently raised by me to Rs.50,000 and then offered a further contribution of Rs.50,000. It was the Dewan Sahib's suggestion that the existing Hospital at Chickmagalur was not worthy of this important centre of the Coffee Industry that prompted me to come forward with a donation as it would give me an opportunity not only of helping my fellow beings but also of perpetuating the memory of my revered parents. What I was made to understand when I made the offer was that the Government would also make a suitable contribution so that a first class Hospital would be provided for the place and that it would be named after my father. As I have found also from experience that one of the most serious causes of mortality in our District was the absence of facilities for securing the services of Midwives and treatment of women during child-birth, I agreed to provide another Rs.50,000 for establishing a Maternity School and Hostel at Chickmagalur.

But according to the Government order now issued, it will not be possible to give effect to my intentions. In

the first place, it would appear as if the hospital would be erected out of the Rs.60,000 proposed to be set apart for the purpose from my donation. There is no reference to any corresponding contribution from the Government. I may say without laying myself open to the charge of undue self-appreciation that mine has been the largest contribution granted for charitable purposes individually, and it pains me to find that while Government have, in the case of the gifts made by Sir M. A. Muttanna Chetty for ward in the Victoria Hospital, for the Seethamma's wards in the Ophthalmic Hospital and for a large number of hostels, made a substantial contribution, no such contribution is provided in the said Government order, though my contribution is meant for a purpose that has the foremost claim upon the resources of Government. It is not possible to erect any Hospital worthy of Chief Palur for a sum of Rs.60,000/-. I presume that the omission of the reservation to the Government contribution in the said order does not imply that the Government intend to construct the Hospital wholly from endowment, i.e. that they propose to take upon themselves the liability required to provide a suitable building. I shall be very grateful if the Government, as in the case of the institutions constructed out of private endowments, will announce the amount that will be granted as their contribution. It will not be possible to erect a suitable hospital at Chickballapur under less than Rs.1,50,000/-. In the Government order, it is proposed to appropriate a sum of Rs.20,000/- for scholarships for training maternity attendants. It is not usual to divert endowments given for a specific purpose like for the provision of hospitals, for purposes like this without the consent of the donor. The obligation to provide scholarships should be undertaken by the District Board or by Government. I am not agreeable to any --

to any portion of the endowment being utilised for this purpose. I have no objection however that the amount be added to the fund intended for the construction of a General Hospital. My object in granting this endowment, namely to perpetuate the memory of my father would be frustrated by the arrangement suggested in Government Order that a part of the amount namely Rs.20,000 should be provided out of an endowment promised by Mr. Krishna Setty for erecting the Opthalmic Section. If he is willing, the contribution promised by him may be utilised for the scholarships. But as it is proposed to name the building of the General Hospital after my father which is an essential condition of the endowment I promised, it could not be possible to add any other endowment to mine. The building is to be constructed from the funds contributed by me together with the contribution by Government.

I do not desire the Government to misunderstand my attitude in any way. The endowment was made by me -- voluntarily. I did not impose any elaborate conditions and have full confidence that Government will give effect to carry out all my intentions in their entirety. I pray most respectfully, therefore, that the Government may be pleased to modify the orders on the folowing lines so as to carry out fully the objects of my endowments:-

1. Out of Rs.1,00,000 I have promised, a sum of Rs.80,000 to be utilised towards the general Hospital with an equivalent grant so that both the building of the Hospital and the equipment may be worthy of such an important institution.

2. Rs.20,000 may be utilised for a Maternity School and Hostel. But the Government should provide the amount required for scholarships without encroaching

upon the endowment for this purpose.

3. As far as the General Hospital is concerned no other private contributions should be utilised for this purpose.

4. The General Hospital to be named after my father Mr. Aralaguppe Malle Gowda and the Maternity School to be named after my mother Mrs. Siddamma.

5. As regards the paymant of the balance of the amount, I beg to state that I promised to pay the sum of Rs.1,00,000 in two equal instalments of Rs.50,000 each of which one instalment has already been paid and the other remaining instalment will be paid in March 1928 after the Government have issued modified orders

In conclusion, I pray that Government may be pleased to consider the above representation favourably and to issue the modified orders immediately so that I may be relieved of my anxieties in the matter.

I have the honour to be,
Sir,

DRAFT FOR APPROVAL.

Med 170-26-12

To

The Deputy Commissioner,

G 873/Mis 3 22.7.27 Kadur District, CHICKMAGALUR.

Sir,

I am directed to state that Mr. Chandre Gowda, Coffee Planter, gave the Government to understand that he would like to have the hospital to be built out of his donation independent of all other institutions which may be constructed out of donations from others. It is understood also that, if necessary, he would be even prepared to make further contributions for the construction of an ophthalmic hospital. Government appreciate Mr. Chandre Gowda's point of view and will arrange to construct his hospital as an independent unit. I am to request you to kindly ascertain from Mr. Chandre Gowda what amount, if any, he is prepared to give for the Ophthalmic Hospital. On hearing from you in this matter

Instructions will be separately given regarding the utilization of Mr. Krishnaiya Chetty's donation.

In a letter submitted to Government by Mr. Chandre Gowda, he has raised certain questions regarding the contribution of Government to the institution which is to be built out of his donation. In this connection, I am to invite your attention to my letter No.G.12147 dated 18-5-1927 in which it has been pointed out that the donation should be unconditional and your reply dated 21st May 1927 in which you say that Mr. Chandre Gowda has agreed to this decision. It may, however

be pointed out to Mr. Chandre Gowda that -- Government have to spend very large sum of money in connection with the acquisition of certain properties (and and other) for locating various -- institutions and in connection with the -- equipping and staffing of the institutions, Mr. Chandre Gowda has apparently not taken all these into consideration, but is merely looking at the cost of the buildings ~~for the institution which~~ (this), he may be informed, form (though heavy) but a small portion of the (total) expenditure to be incurred on the institution.

to incur heavy recurring expenditure

In these circumstances, he may be told that while Government have every wish to respect his desire to have his donation treated as one unit without mixing it up with other institutions ~~constructed out of other people's donations~~, they cannot agree to give (him) any promise of a building grant of the kind that he suggests. It is trusted that he will appreciate the desire of Govern ment to ~~spend~~ do all that is necessary and -- reasonable in making his institution a -- success.

On receipt of your letter No. G. 573/Med. 170-26-12 dated 22-7-1927 on the above subject, I wrote to Mr. Chandre Gowda who was not then in the Station. He saw me yesterday and I explained to him the contents of your letter.

2. He says that he did not promise to make any additional contribution and that what he meant was that the 20,000 rupees the Government had set apart in their order No. C.67-72/Med. 170-26 dated 23-6-27, for scholarships to be awarded to the women who come for training to the Maternity School should be utilised for constructing instead the Opthalmic Hospital. He has no objection to Mr. Krishna Setty's donation being utilised for constructing Wards; but the Hospital proper he wants to be constructed as an independent unit and out of his own donation supplemented by a Government grant. On this, I again explained to him that Government could not agree to give him any promise of a building grant in view of the considerations set out in your letter and drew his attention to his own undertaking given to me that he would abide by the decision of Government. He readily admitted this and said he gave the

Re:- the construction of a General Hospital, Maternity School and Hostel at Chickmagalur.

Sir,

In connection with the construction of the General Hospital and other Medical Buildings at Chickmagalur I beg to bring the following facts to your kind consideration.

On receipt of the D.O. letter No. G 2144/Med 170-24-14 dated the 24th August 1927 addressed to me by the General & Revenue Secretary, I called upon Mr. G.H. Krumbegel, Consulting Architect to the Government, this day to have an idea of the proposed plans.

After studying the plans, he looks to my mind, more advantageous to give up the idea of acquiring the area occupied by the D.F.O.'s quarters and Mr. Vas's house and in their stead, aquiring the area in which the Bonded Ware House, the Bank of Mysore Building, the Government Medical School are located. If this be done it will be possible to locate the proposed Medical Buildings in a more prominent and convenient locality. Besides, the cost of aquistion will, I think, be the same in either case. A special advantage of my present proposal is that the building in which the Boys' Medical School is being held could very easily be improved to suit the location of the Maternity School under contemplation.

I have, however, made these suggestions to Mr. Krumbegel, whom I have requested to kindly give his best consideration to them before deciding upon the final plan.

Another thing that struck me was the facing of most of the proposed buildings towards the samll road to the east of the Deputy Commissioner's Bunglow. This I am afraid considerably spoils the beauties of the buildings as well as shoves them to a corner. In particular I have to request you sir, not to permit the facing of the the General Hospital at least to any other but the Park Road.

In conclusion, I beg to state that the effect of my present proposals will be.,

(1) The frontage of the General Hospital will be towards the Park instead of the stables of the Deputy Commissioner's bunglow.

(2) The Government Medical School building will be utlised for the Maternity School instead of making use of the D.F.O.'s quarters perhaps with considerable changes to suit the requirements of the Hospital

(3) The Bank of Mysore Building will be aquired instead of Mr. Vasi's at about the same cost.

(4) The General Hospital Building according to myx suggestion will certainly offer a much more imposing appearance then as planed at present.

I beg therefore that these suggestions may be kindly considered before finally deciding upon the plans.

I beg to remain

Sir,

Your Most Obedient Servant.

S i r,

I beg to acknowledge receipt of your D. O. letter No.93 dated 28th August 1927, regarding the acquisition of the Bonded Warehouse, Witness Shed & Boys' Middle School at Chikmagalur for the construction of a General Hospital and Maternity School.

In connection with this, I would like to suggest the following idea which I hope will be beneficial both to the Government and to me. If the foundation of the Boys' School is strong enough to admit of one more Storey being built, will it not be possible to locate the Maternity School in the Upper Floor to be constructed leaving the Boys' School in the Ground Floor in its original position, and to name the Schools as "MRS. ARALAGUPPE MALLE GOUDA'S BOYS' AND MATERNITY SCHOOLS" respectively?

Kindly consider this matter favourably and oblige.

I beg to remain, Sir,
Your most obedient servant,

Dear Mr. Ranga Rao,

With reference to your D.O. letter No. G.2144/Med. 170-26-14 dated the 24th August 1927, in regard to the construction of certain medical buildings at Chickmagalur, I write to inform you that in accordance with Government Order No. G.11357-61/Med. 170-26-1 dated the 25th April 1927, a scheme containing the following was prepared.

1.	Administrative Block.	Rs. 22,110.
2.	Out patient	Rs. 13,000.
3.	One ward of 12 beds.	Rs. 12,000.
4.	Sub Assistant Surgeon's quarters.	Rs. 2,900.
5.	Mortuary, kitchen & Latrine.	Rs. 1,590.
		Rs. 52,000.

But in G.O. No. C.67-72/ Med. 170-26-9 dated the 23rd June 1927, the amount for the General Hospital was raised from Rs. 50,000 to Rs. 60,000 and an additional sum of Rs. 20,000 was provided for a Maternity School and Hostel.

Accordingly the Operation Theatre attached to the Administrative Block was enlarged as per orders of the Dewan and the scheme revised.

Designs for the Maternity School and Hostel were also added.

The whole scheme amounting to Rs. 80,000 together with the site -- plan has been forwarded to the Consulting Architect to Government. In the meanwhile it has been ordered that the Administrative Block and the ward block should be combined and a two storeyed building provided. A sketch for this has accordingly been prepared and handed over to you by Mr. B. Venkoba Rao for submission to the Dewan.

Plan and estimate for the Ophthalmic Hospital are under preparation.

A copy of letter dated the 26th August 1927 from Mr. Chandre -- Gowda to the address of the Dewan offering certain suggestins is her with forwarded, for orders. On receipt of final orders the Superintending Engineer, Shimoga Circle, will be asked to take up further --

Sir,

With reference to your letter No.C.2 dated 12th October 1927, I am herewith forwarding the Minutes of the Committee Meeting held at Chickmagalur. In accordance with that letter I also + attach the plans showing the sites selected for the various institutions and the decisions come to by the Committee.

Although two plans A & B show alternatives in connection with the Maternity School, I am strongly of opinion that plan A should be adopted. The building of the A.V. School as it is, is not situated on a good site for the boys'school and is also not in a good state of preservation so that its improvement is necessary. If adopted for the Maternity School, it will fall in with the general scheme of hospital buildings and the whole will give a much better effect than if the old A.V. School is left in its present condition and a new building as per plan B was decided upon.

The total cost for acquisition amounting to Rs.75,000/- may be reduced by Rs.10,000/- which goes in savings from the Maternity School and the remaining Rs.65,000/- will have to be taken as a set-off for the various existing hospital buildings which will be set free for other purposes. I have already shown the plans and the report to the Dewan who also agrees with the above view.

I have the honour to be,
Sir,

Senior Surgeon in Mysore

Mr. Nagappa Chetty also attended

Mr. Chandre Gowda could not be present but was represented by Messrs: C. Vasadeva Rao and Gopalakrishna Naik.

All the sites were visited and questions discussed with donors and plans prepared on the site by the -- Consulting Architect. which are attached. The following are the decisions arrived at:-

.....

(1) GENERAL HOSPITAL: Donation Rs.80,000/-:

In order to provide for the General Hospital and its subsidiary buildings no amount can be diverted for -- compensation either for land or buildings out of the donation.

With this understanding, site plan A can be laid out. The cost of the building will then be:

1. Administrative Block with 12 beds ward	Rs.	38,300
2. Two 12 beds wards		24,000
3. Out-Patient Dispensary		13,400
4. Resident Medical Officer's Quarters(Forest Lodge)		...
5. Matrons' Quarters		3,000
6. Kitchen and Store		600
7. Compounders' Quarters		2,000
8 Mortuory	..	1,000
9 Latrines	..	400
10 Sweepers' Quarters	..	1,300
Total Rs.		84,000/-

The excess of Rs.4,000/- will have to be met from the 20,000/- for Maternity School.

.. ..

(2) MATERNITY SCHOOL: Donation Rs.20,000/-:

Improvement of A.V. School as per plan A	6,000
Excess under General Hospital	4,000
	10,000

The balance of Rs.10,000/- may be taken for scholarships unless Government diverts it for compensations. The compensation for various buildings is estimated as under:-

Mr. Vas House	.. Rs.	7,500
Forest Office Lodge	..	12,000
Out-Agency	..	6,000
Bank of Mysore	..	8,000
Bonded Ware-house	..	8,000
Witness Shed	..	2,000

A.V. School	25,000
	68,500
Add for extra cost in re-building some of the buildings	6,500
Total Rs.	75,000

which will have to be paid by Government.

The alternative plan B excludes the A.V. School and provides a separate building for the Maternity School costing Rs.10,000/-. Compensation for buildings will then be Rs.50,000/- only, but the balance available for scholarships will be reduced to Rs.6,000/-.

(3) The OPTHALMIC HOSPITAL: Donation 20,000/-:

This is provided in plan A at the western end of the Hospital Area and by utilising the existing out-houses for servants' Quarters, the building can be put up at the cost of Rs.20,000/-.

The road AB (Sandalkoti Road) in plan A will be closed as a public road and form a connecting road with the various structures in the Hospital Compound. A gate at A forms the main entrance East. At the western end another gate is proposed which will form the direct entrance to the Opthalmic wards. Another road BC is proposed and the junction at B to be improved.

(4) Mr. Nagappa Chetty's MATERNITY HOSPITAL, Plan C:

The ultimate limit as marked in red on the plan is agreed. All the dilapidated houses in this area are to be acquired at once. The present limit of the

hospital to be as marked ABCDE. This line may be a wire fence and the ~~the~~ compound wall to be put at EFG. Mr. Nagappa Chetty agrees that the Out-patient Dispensary be placed in a better position as marked 1.

The following sites are approved by the Committee and Mr. Nagappa Chetty:-

2 Midwife Quarters

3 Sceptic ward

4 Swedpers' Quarters

5 Mortuory

6 Additional kitchen if required

Mr. Chandra Gowda arrived after the above minutes were drafted. All the points with plans were explained to him. He agreed to the decision but, when asked whether he would pay Rs.25,000/- for the A.V. School, he declared that he could not make any further payment.

Sir,

With reference to the Minutes fixing the various sites of the medical institutions at Chickmagalur, I have the honour to state that in the first instance, there was a provision for Sub-Assistant-Surgeons' Qrs. and none for the Resident Medical Officer. As the total cost of the buildings went above the donated amount, Dr. Usmon agreed that quarters for these sub-assistant-surgeons were not necessary at present, but suggested that the present Forest Officer's House may be retained in tact for the Resident Medical Officer. By an error in totalling the cost of the buildings during the discussion, the cost of the Out-Patient Dispensary had been omitted. Whereupon, Dr. Usmon again, as funds permitted then, provided for the Sub-assistant-surgeons Qrs. While drafting a fair copy of the Minutes, I found the above omission. I took out the provision for the Sub-Assistant-Surgeons Qrs. and ~~re~~informed Dr. Usmon of this fact. He now states as per copy of his letter attached, that these quarters are absolutely necessary. This being so, the cost of Rs.5000/- will have to be met from the balance of Rs.10,000/- under the Maternity School unless, the old arrangement of leaving the Resident Medical Officer in his present Bungalow and accommodate the Sub-Assistant-surgeons in the Forest Officer's Lodge ~~a~~ is preferred. If however, a separate building has to be constructed, I can only suggest that the site

This seems a straight 9/11.

"In reply to your D.O. letter No. 159 dated 28-10-27, I write to say that quarters for two Sub Assistant Surgeons are quite necessary, in as much as it will otherwise be difficult to secure the services of these hands at a moment's notice if they are allowed to reside outside in the town, and occasions, for their services for emergencies by day or by night, will not be wanting when the Hospital is developed as now proposed. Respected Sir,

I, the undersigned humble petitioner, Chandre-Gouda of Aralaguppe, Chikmagalur Taluk, most respectfully beg leave to submit the following facts for your kind consideration and to crave very early and favourable orders thereon.

The Committee appointed to go into the question of the location of the proposed Genral Hospital and its subsidiary buildings and the School of maternity and also the prep ration of plans and estimates thereof, have come to the opinion, the present A.V.School buildings could be utilised for the schoo of maternity provided a separate building could be put up for the A.V.School by Government at a cost of Rs.25,000/-. I may be permit to submit that in the event of the A.V.School building turned into the maternity school a sum of Rs.25,000/- would not be needed but that a sum of Rs.20,000/- would seem to suffice. Of this sum of Rs.20,000/-, I undertake to contribute half i.e. Rs.10,000/- if th Government should be pleased to make the A.V.School bear the name of my humble self.

Gent say

I crave the favour of the benign Government of His Highness the Maharaja of Mysore, that the present A.V.School building be taken up and the school of maternity be instituted therein in the sacred memory of my mother; and that the General Hospital be founded in the name of my beloved father.

I may be forgiven the suggestion that should the Government decide to put up a new A.V.School building either it may be located in the immediate neighbourhood of the Special

Special Magistrat's Court, an ideal locality for a school and particularly commendable as, close to that, are to be found excellen play grounds for the school children; or the present Magistrate's Court building may be converted into the A.V.School making necessar changes and improvements at a cost of Rs.10,000/-, which I am prepared to contribute.

I humbly pray that very early and favourable orders be passed by the benign Government in the matter.

I beg to remain,

Respected Sir,

Your most obedient and humble servant,

Order No.G 7117-26

Dated Bangalore, the 21-12

The Government of His Highness the Maharaja are pleased to approve of the allocation of the various buildings as shown in Plan (A) submitted by the Committee referred to above. The Maternity Hospital and connected buildings will, as proposed by the Committee, be located in the neighbourhood of the existing quarters for the Lady Medical Officer, Munsiff's Court and the Offices of the Executive Engineer. The buildings in the neighbourhood of Seganipura Street will be acquired so as to form part of the grounds of this building.

2. Dharmaprakasa Mr. Chandre Gowda's General Hospital and Maternity School will be situated on the road branching off from the Chickmagalur-Hassan Road to the Travellers Bungalow. The Bonded Warehouse, the Out-Agency Building, Mr. Vas house, ~~xxx~~ small strip of land belonging to Mr. Shiva Rao and the Bank of Mysore Buildings will all be acquired for this purpose.

3. The Ophthalmic Hospital to be constructed out of Mr. Mysore Krishna Setty's donation will be situated immediately by the side of Mr. Vas' bungalow which, will itself form part of this Institution. Government also approve of the allocation of the quarters for the staff as proposed by the Committee.

4. Government are also pleased to approve of the plans and estimates for the General and the Ophthalmic Hospital Hospital/buildings and wards received from the Chief Engineer. They are further

pleased to direct that the claim for the Establishment, Tool and Plant charges be waived in this connection as a special case.

5. The present A.V. School at Chickmagalur will continue to be held where it is till the new hospital buildings are ready. The question of constructing a separate building or shifting it to one of the blocks of the existing General Hospital building will be examined and decided in due course.

6. The Munsiff's Court at Chickmagalur should continue to be held in the present rented building, provision being made for the rent in the Budget Estimates of the Department concerned.

7. Arrangements should be made to hold the Special Magistrate's Court in the District Office building, without additions, as it stands at present, and the District Forest Officer should be given the present Special Magistrate's Court building to be used as his quarters.

8. The Senior Surgeon, the Chief Engineer of Mysore, the Consulting Architect to Government and the Deputy Commissioner, Kadur District, should take immediate further action on the lines indicated above.

9. Government are pleased to accept the further donation of Rs.10,000/- offered by Dharmaprakasa Chandre Gowda on the condition that the building in which the A.V. School will be located later should be named after him in accordance with his desire. The Government offer their thanks to Mr. Dharmaprakasa Chandre Gowda for the furtne- donat
